Operational update

Tasty (AIM: TAST), the owner and operator of restaurants in the casual dining sector, is pleased to announce that, following the lifting of the lockdown restrictions on Monday 17th May, 47 of its 54 sites are currently fully open to trade. All appropriate measures are in place to ensure government guidelines concerning social distancing and customer safety are fully adhered to.

The Company intends to provide an update on trading towards the end of June 2021.
